**ATOPICLAIR®**
**NON STEROİDAL CREAM**
**SYMPTOMATIC TREATMENT OF ATOPİC DERMATİTİS**

**Indications:** Atopiclair is indicated to manage and relieve the burning, itching and pain experienced with various types of dermatoses, including atopic and allergic contact dermatitis. Atopiclair helps to relieve dry waxy skin by maintaining a moist skin environment, which is beneficial to the healing process.

Atopiclair does not contain milk or animal derivatives.

**Instructions for use:** Apply Atopiclair to the affected skin area three times per day (or as needed), and massage gently into the skin.

**Ingredients:** Aqua, ethylhexylpalmitate, butyrospermum parkii, pentylene glycol, arachidyl alcohol, behenyl alcohol, arachidyl glucoside, glyceryl stearate, PEG-100 stearate, butylene glycol, glycyrrhetinic acid, capryloyl glicine, bisabolol, tocopherly acetate, carbomer, ethylhexylglycerin, piroctone olamine, sodium hydroxide, allantoin, DMDM hydantoin, vitis vinifera, sodium hyaluronate, disodium EDTA, ascorbyl tetraisopalmitate, propyl gallate, telmesteine.

For topical external use only. Avoid contact with eyes.

**Cautions:** Atopiclair contains shea butter (B. parkii) and patients with a known allergy to this and/or known history of hyper-sensitivity to any of the ingredients should consult their physician before using the product.

**Precautions and warnings:** Store at room temperature and away from direct heat. Keep out of the reach of children.

**Content:** 40 ml

**Manufacturer:** Sinclair Pharma, Srl, Viale, Restelli 29, 20124, Milan
